RE: Facility Coordinator

Dear Janet:

As you know, I have been serving on an interim basis as the facility coordinator on behalf of the SCP Carlstadt Steering and Technical Committees. This letter is written to inform you of the designation of a new facility coordinator: Mr. Gil Weil. We are fortunate to be able to provide someone of Gil's extensive background, experience and skills as facility coordinator. We believe Gil's addition will substantially enhance the process as the Agency and ourselves collectively work towards site remediation.

Gil's office address and telephone number are: Union Carbide, P.O. Box 670, Bound Brook, New Jersey 08805, 201/563-5905.

Sincerely,

on behalf of the SCP Carlstadt  
Steering and Technical Committees
